Why we do it

The Marketing Academy runs programmes that are highly selective and yet delivered free of charge. We can do this because we unite a powerful, committed and engaged community of client side CEO's & CMO's, media and creative agency CEO's and subject matter experts from every marketing discipline in the industry who share their knowledge on a pro bono basis.

This community shares our desire to invest in talent and the belief that marketing, media and advertising, collectively and at its best, has a direct impact on the planet; the power to influence the way people think, the choices they take and the decisions they make.

Furthermore, in a turbulent and changing world, developing our talent is the only certain way to ensure growth. We are dedicated to delivering programmes that will ensure that the impact of marketing, media and advertising is felt in at the centre of every board room.

Our future is in the hands of the younger generations of marketers, influencers, innovators and communicators and for their collective power to be wielded in the most effective way they deserve our time, wisdom and experience.

Through our programmes we:

- **identify the industry's brightest & best minds and equip them with the values, beliefs, behaviours and skills to be outstanding**
- **enable our emerging leaders to gain wisdom and experience from C-Suite leaders within diverse sectors and disciplines**
- **provide a platform for high potential talent to learn best practice from around the globe, and be inspired to create world changing results**

Who we are

The Marketing Academy is a not-for-profit organisation founded in the UK in 2010, Australia in 2015 and the US in 2018.

We identify and develop exceptional talent in Marketing, Communications, Media & Advertising by providing a forum for C-Suite executives, marketing experts, business leaders and coaches to inspire, develop and mentor an entire generation of future leaders.

We run programmes for different levels:

The Fellowship — For CMO's

The Scholarship — For emerging leaders

The Apprenticeship — For young people

Fellowship and Apprenticeship programmes are available in Europe only.

What we do

To deliver the Scholarship Programme, we unite an entire ecosystem: brands, media owners, creative agencies, media agencies, industry associations, academic institutes, and leadership organisations.

We bring together CEO's, CMO's, authors, experts, inspirational speakers, founders of charities and sporting legends who contribute to the curriculum on a pro-bono basis, ensuring the Scholarship is a totally unique and immensely powerful learning experience.

We select just 30 emerging leaders from Marketing, Media, Communications and Advertising to experience this 9 month, part time programme, together.

**The Marketing Academy programmes are highly selective. We only take those with the talent, drive, motivation and potential to be exceptional.
For those selected, our programmes are completely free of charge.**
