The UK 2020 Scholarship Programme Guide

The art of marketing is no longer a management process. It's the means to create a positive and profound impact on the world we live in.

The UK Scholarship Programme is sponsored by

Why we do it

There are many development programmes which will teach you how to be a better marketer and many more that can tell you how to become a better leader. We deliver the only programme that will also show you why.

We live in a world where the role of business has never born such a responsibility for the future of the planet and the health and wellbeing of those living on it. Marketers are the interface between what a business can do and what its customers will buy. This valuable two way dialogue needs to reflect our times and embrace values which will see businesses lead their customers towards a fairer and more sustainable world.

The need to invest in talent has never been greater provoking questions such as:

- **How can we identify our brightest & best minds and equip them with the values, beliefs, behaviours and skills to be outstanding?**
- **How can our emerging leaders access C Suite leaders to learn from their wisdom and experience?**
- **How can they gain rich insight and knowledge from the diverse thinking in other industry sectors?**
- **How can our high potential talent learn best practice from around the globe and be inspired to create world changing results?**

"The Marketing Academy Scholarships without doubt are the ultimate accelerator for marketers"

Who we are

The Marketing Academy is a not-for-profit organisation founded in the United Kingdom in 2010, Australia in 2015 and USA 2018.

We identify and develop exceptional talent in Marketing, Communications, Media & Advertising by providing a forum for C-Suite executives, marketing experts, business leaders and coaches to inspire, develop and mentor an entire generation of future leaders.

Within the UK we run programmes for different levels:

The Fellowship — For CMO's

The Scholarship — For emerging leaders

The Apprenticeship — For young people

What we do

To deliver the Scholarship Programme we unite an entire ecosystem; brands, media owners, creative agencies, media agencies, industry associations, academic institutes and leadership organisations.

We bring together CEOs, CMOs, entrepreneurs, authors, subject matter experts, inspirational speakers, founders of charities, and sporting legends who contribute to the curriculum on a pro-bono basis ensuring the Scholarship is a totally unique, immensely powerful learning experience.

We then select just 30 emerging leaders from Marketing, Media, Communications and Advertising to experience this 9 month, part time programme, together.

The Marketing Academy programmes are highly selective. We only take those with the talent, drive, motivation and potential to be exceptional. For those selected, our programmes are completely free of charge.

Important Stuff:

About the Boot Camps...

There are three Boot Camps, the first takes place over five days and the following two are two days. Attendance at all the Boot Camps is mandatory and they take place in or near London. They require a total of six nights accommodation which must be paid by the delegate or their employers.

About the costs...

It's free to attend the programme but as a not-for-profit we can't contribute to expenses incurred by delegates while travelling to mentoring meetings, coaching sessions, or learning events. Any expenses incurred must be met by the delegate or their employers.

More important stuff...

Scholarship places are not transferable to other individuals. Furthermore if a Scholar changes employer during the programme we reserve the right to terminate their place.

Attendance...

To ensure the programme creates the greatest impact delegates must dedicate 15 days to attend the programme.

Location...

Most of our learning events take place in London and the South East of the UK. Scholars who are unable to travel may have less exposure to mentors and fewer opportunities to attend lectures.
