WHAT IS THE SCHOLARSHIP PROGRAM?

Each year we award a maximum of 30 free places to our unique and powerful leadership development program for marketers. Places on this free program are given to talented marketers to help them become the next generation of marketing and business leaders.

As the number of delegates is strictly limited, we ask the community working within Marketing, Communications, Media & Advertising, to nominate emerging leaders for a Scholarship place.

WHAT DOES THE SCHOLARSHIP INVOLVE?

The Marketing Academy's Scholarship Program is a leadership development program of Mentoring, Coaching and Learning. The program is completely free of charge though highly selective, and if you're successful in securing a place you'll receive the following benefits:

- The opportunity to meet with 8 senior industry leaders (Brand and Agency) for face-to-face mentoring sessions.
- An Executive Coach to work with throughout the entire program.
- 3 x Residential Boot Camps (9 days in total) filled with leadership development, inspirational speakers, CMOs, CEOs and master classes.
- Participation in a life changing Leadership Development Program.
- Peer to Peer networking.
- Exposure to high level marketing expertise across all industries.
- Lifetime access to the Academy as Alumni.
- Access to TMA Global Virtual Campus: A supplementary online curriculum of workshops, lectures & keynote sessions.

WHERE AND WHEN DOES THE SCHOLARSHIP PROGRAM TAKE PLACE?

The Scholarship Program runs in the UK, US and Australia. Each program has differing mandatory Program dates across the year. To find out the key information surrounding each program, please read the appropriate Program Document. You can download and read the entire outline of the Scholarship Program below.

HOW MUCH DOES THE SCHOLARSHIP PROGRAM COST?

The cost to attend the program is completely free. The entire content of the Scholarship Program is delivered by exceptional people who volunteer their time, knowledge, and expertise.

However, we don't contribute to any travel or accommodation expenses. The residential Boot Camps require a total of 5 nights' accommodation which must be paid for by the Scholars or their employers (we promise not to book expensive venues!) Attendance at all Boot Camps and staying on site is mandatory, even if you live nearby.

HOW MUCH TIME ARE SCHOLARS EXPECTED TO INVEST?

To get the most out of the program Scholars should expect to invest 15 working days of time to attend 3 'Boot Camps', up to 8 mentoring sessions, Virtual Campus events, and regular coaching sessions. Scholars are also given the opportunity to volunteer their time with selected charities. In addition, there may be time outside of work where you prepare for mentoring or coaching sessions or to share your learning within your teams or externally.

HOW ARE THE 15 DAYS FOR THE SCHOLARSHIP PROGRAM BROKEN DOWN?

There are 9 days of residential Boot Camps. These are split across three Boot Camps over the year. As the Scholarship Program runs in the UK, US and Australia, each program has differing mandatory Program dates across the year. To find out the key dates and specific information surrounding each program, please read the appropriate Program Document.

Up to 12 hours for your mentoring sessions. Scholars will have around 8 x 90-minute sessions, and these are spread throughout the program. These are organised by the Scholars and their mentors.

6-9 hours for your coaching sessions. Scholars will have around 8 x 60-minute sessions, and these are spread throughout the program. These are organised by the Scholars and their coaches.

TMA Virtual campus events - an online curriculum of workshops, lectures, and keynote sessions. The time for these will vary from Scholar to Scholar depending on how many they attend. Virtual Campus events will also be available on demand.

WHAT ARE THE BOOT CAMPS, AND DO I HAVE TO ATTEND THEM?

The 3 Boot Camps are intense, immersive, and residential events, attended by the entire cohort of 30 delegates, and are packed with learning, speakers, and workshops.

All 3 Bootcamp events are mandatory. You will need to attend in full and failure to do so may result in termination of your Scholarship place. For information on how COVID-19 might affect the experience please scroll down to Additional Information.

ONCE THE SCHOLARS BEGIN THE PROGRAM, WHO PICKS UP THE TAB FOR ACCOMMODATION AND TRAVELLING COSTS?

We are a not-for-profit company and therefore unable to contribute to any expenses incurred by Scholars whilst travelling to mentoring meetings, coaching sessions, or learning events. This cost must be met by the Scholars or their employers. It should be noted that the Boot Camps will require 6 nights' overnight accommodation which must also be paid by the Scholar or their employer. We will always try and keep costs to a minimum.

ARE EMPLOYERS EXPECTED TO GIVE THE SUCCESSFUL SCHOLARS FULLY PAID LEAVE TO TAKE PART IN THE SCHOLARSHIP PROGRAM?

Whilst employers must be in support of the Scholar's application to the program, it is not compulsory for them to give their Scholar fully paid leave. In our experience employers appreciate the level of development the Scholarship provides to their rising stars and the ripple effect it has on their team, so tend to be extremely generous in giving our Scholars time to take part. However, some employers may require Scholars to take some time as holiday or unpaid leave.

Please note that attendance to all the Boot Camps is mandatory to be accepted onto the program.

WHEN DOES THE SCHOLARSHIP BEGIN?

As the Scholarship Program runs in the UK, US and Australia, each program has differing mandatory Program dates across the year. To find out the key dates and specific information surrounding each program, please read the appropriate Program Document.

I WANT TO APPLY FOR THE SCHOLARSHIP BUT I AM BASED OUTSIDE OF THE PROGRAM'S HOST COUNTRY. CAN I STILL APPLY?

You can apply if you live a maximum of three hours outside of the Program's host country, however it is essential that you are able to travel for all the Scholarship events to make the most of the Scholarship, and how you plan to do this must be proven within your application.

WHERE CAN I FIND A LIST OF ALL THE PEOPLE AND COMPANIES INVOLVED IN THE ACADEMY?

You can find a list of all the mentors, coaches, partners, judges, and companies who are involved in delivering the Scholarship on our website on the 'Who's Involved' tab.

WHERE CAN I FIND OUT WHAT PREVIOUS SCHOLARS THOUGHT ABOUT THEIR EXPERIENCE?

You can read more about what our alumni has to say about the program [here](#).

WHERE CAN I FIND THE KEY DATES FOR THE SCHOLARSHIP PROGRAM?

As the Scholarship Program runs in the UK, US and Australia, each program has differing mandatory Program dates across the year. To find out the key dates and specific information surrounding each program, please read the appropriate Program Document.

WILL THE PERSON I'VE NOMINATED BE INFORMED OF MY IDENTITY?

Occasionally people ask us who nominated them and by submitting your nomination you agree to us telling the nominee who made their nomination. If you prefer your nomination to be anonymous then you can request this by emailing info@themarketingacademy.org

We do recommend you give you 'nominee' some warning before you nominate them – you might consider sending them a copy of The Scholarship Program Guide.

I'VE GOT SOMEONE IN MIND WHO I THINK WILL BE AN OUTSTANDING FUTURE LEADER, BUT THEY DON'T FIT THE PUBLISHED CRITERIA. IS IT WORTH NOMINATING THEM?

Yes. We have Scholarships available for individuals who do not have a 'classic' marketing background. Those who have demonstrated exceptional potential as natural marketers or who have shown outstanding entrepreneurial ability or exceptional achievement in the face of adversity will be considered.

We support diversity, inclusion and equality in every context and firmly believe that everyone, irrespective of race, ethnicity, sexuality, gender, or religion, should have the same opportunity to fast track their careers and learning via our programs.

We rely on you, as a nominator, to help us identify a breadth of talent across the entire industry.

DO I HAVE TO BE THE NOMINEE'S BOSS TO NOMINATE SOMEONE?

No. You can nominate whoever you choose, be it a member of staff, colleague, boss, peer, supplier, client, friend, or family. You can nominate someone at an agency or business that you've worked with and have been very impressed by, or any great marketer who you feel is a rising star. But the bottom line is your nominee should fit the selection criteria which can be found in The Scholarship Program Guide.

WHAT IF THE NOMINEE IS IN BETWEEN ROLES, FREELANCING OR ON A SHORT-TERM CONTRACT?

The Scholarship criteria requires the nominees to be fully employed or own their business.

The learning provided throughout the Scholarship centers around leadership development. We have discovered that the Scholars with a wide and consistent span of direct leadership & influence within one company, are able to implement the learning immediately and can practice the tools and techniques in real time. This also enables the Scholars to get the most out of the Mentor sessions, allowing them to discuss & debate real situations which mirror the practical experience of the Mentors. Depending on the span of the freelance role this consistency can be significantly reduced, along with the ability to make wide reaching impact across a business where the Scholar is directly accountable for the long-term results.

We can only take 30 Scholars on any program. With over 250 people involved in their development and learning it's essential that we ensure the widest possible 'ripple effect' of the learning so that the benefit of the Scholarship can be felt more widely within the industry. Experience has taught us that Scholars in significant leadership roles, directly employed by one company for the duration of the program, can have a greater lasting impact on their business than those in temporary, interim or short-term roles.

The learning curve of the Scholarship does not mix well with the learning curve of a new role. In fact, we have found that it can be so detrimental to the Scholar (and their new employer) that we withhold the right to remove Scholars from the program if they change roles during it (much as we hate to do so). We minimise this risk by ensuring that Scholars are employed, supported by their current employer and are crystal clear on their career goals – and timings – before embarking on the program.

If the Scholar is in 'transition' or seeking the next role while on the program then we find that most of the learning and interactions with Mentors, Coaches and the other Scholars are experienced through that lens, which ultimately results in a reductive experience. The nature of freelance work means that the likelihood of embarking on and / or seeking new roles is higher.

If you know someone in transition, freelancing or contracting, they may be eligible to enroll on our Virtual Campus program - please send them this link <https://themarketingacademy.org/uk/the-marketing-academy-virtual-campus/>

CAN I WAIT UNTIL JUST BEFORE THE NOMINATION PORTAL CLOSES BEFORE I NOMINATE?

Yes, but you may disadvantage your nominee as there is a short turn-around time between the closing of the nomination portal and the closing of the application portal. Nominees don't receive the details on how to apply until they've been nominated. It can then take a lot of thought, time, and resource for a nominee to put together the 3-part application. So, the earlier you nominate the more time your nominee will have to design and submit their application.

CAN I NOMINATE MYSELF?

No. To be eligible for an 'Invitation to Apply' you will need to be nominated by someone who considers you worthy of a place. We will not accept self-nominations and the nomination portal is regularly cross checked and verified.

CAN I NOMINATE MORE THAN ONE PERSON?

You can nominate as many people as you like.

WHAT HAPPENS AFTER I ENTER MY NOMINEE'S DETAILS ON THE WEBSITE?

After you've been nominated, you will receive an email confirming receipt of your nomination. Your nominee will be sent all the details they need to apply for a place.

SELECTION PROCESS

HOW DO I APPLY AND WHAT'S THE SELECTION PROCESS LIKE?

The Scholarship Program is free but highly selective, and to apply you must first be nominated by someone through the Nomination portal on our website.

All nominees then receive an 'Invitation to Apply' which includes essential information about the 3-stage selection process:

1. **APPLICATION:** This 3-part application must include submission of a full CV, Employer's Endorsement and a 2-minute Digital Showcase Me.
2. **THE PITCH:** Successful applicants will be invited to make a 10 minute 'pitch' followed by a 15-minute Q&A. The Pitch will be via Video/Zoom.
3. **PANEL INTERVIEWS:** Successful applicants will be invited to a video interview with a selection panel of Marketing and HR Professionals. Successful applicants will be notified if they have a Marketing Academy Scholarship place.

WHAT'S AN EMPLOYER'S ENDORSEMENT?

To continue through the selection process, it's essential we receive evidence of employer's support of the nominees' application in written form. An 'Employer's Endorsement' form is supplied with the 'Invitation to Apply'. Employers are asked to outline why they feel their employees should receive a place on the program and to confirm that they will enable their employee to invest a minimum of 15 days to the program if awarded.

If you have only been at your company for six months, in addition to an endorsement from your current employer, you are allowed to submit an endorsement from a previous employer too.

WHAT IS 'SHOWCASE ME' AND HOW DO I SUBMIT IT?

The 'Showcase Me' element of the Scholarship application is your chance to show your creative side and communicate exactly why you should be awarded a place on the program.

The 'Showcase Me' must be in a digital format. All we'll say is the more original the better! You can see a video about the Showcase Me on our YouTube [here](#). Details on how to submit it are within the 'Invitation to Apply' you receive when you are nominated.

ADDITIONAL INFORMATION

WHAT HAPPENS IF I'M LOOKING FOR A NEW JOB?

The learning curve of the Scholarship does not mix well with the learning curve of a new role. In fact, we have found that it can be so detrimental to the Scholar (and their new employer) that we reserve the right to terminate the Scholarship place if they change roles during it.

We minimise this risk by ensuring that Scholars are employed, supported by their current employer, are under no known risk of resignation, are crystal clear on their career goals – and timings – before embarking on the program. If the Scholar is in 'transition' or seeking the next role while on the program then we find that most of the learning and interactions with Mentors, Coaches and the other Scholars are experienced through that lens, which ultimately results in a reductive experience.

WHAT HAPPENS IF I MOVE ROLES WHILST ON THE SCHOLARSHIP PROGRAM?

We believe that the learning curve of a new company wouldn't mix well with the intense experience of attending the program, therefore we reserve the right to terminate the place on the program if delegates move company during the program.

HOW WILL COVID-19 AFFECT THE EXPERIENCE AND IMPACT OF THE SCHOLARSHIP PROGRAM FOR THE SCHOLARS?

Safety is our top priority and having already delivered multiple programs throughout the pandemic we are confident that whilst COVID-19 may mean changes to the program format, the impact of the Scholarship experience will not be affected.

Throughout the selection process and the program, we commit to transparent & frequent communication if we believe COVID will impact the delivery of the program.

WHAT HAPPENS TO THE NOMINEES WHO ARE NOT SELECTED FOR A MARKETING ACADEMY SCHOLARSHIP?

Nominees who apply for the Scholarship and don't make it on the program are given access to our Virtual Campus. We also share free or discounted learning opportunities with the nominees who aren't selected for a Scholarship. We also advise nominees to re-apply in later years, as we have had many Scholars who were successful on their second, third or even fourth try.
